

InterPARES Summer School 2024

Call for applications is now open

The [InterPARES Trust AI Project](#), the [Italian Ministry of Culture](#) - [Soprintendenza archivistica e bibliografica delle Marche](#), the [University of Macerata](#) and the [Municipality of San Benedetto del Tronto](#) are pleased to announce that they are now accepting applications for the 2024 InterPARES Summer School.

The aim of the International IP2024 Summer School is to offer a unique opportunity for records managers and archivists to catch up on emerging theories, methods, practices and technologies for trustworthy records and archives and on the outcomes of the most innovative research in the sector. The instructors will all be InterPARES researchers from various countries.

Participation in the 2024 edition is **free** and limited to **30 professionals**. The travel, accommodation and living expenses are the participants' responsibility. The Summer School will take place in San Benedetto del Tronto (AP), a well known holiday destination in Italy (see: https://en.wikipedia.org/wiki/San_Benedetto_del_Tronto), in Auditorium comunale «Tebaldini», Viale A. De Gasperi 124.

The program will be organized into **five days of learning modules**, taught in **English**, from **Monday, June 24th to Friday, June 28th**. Check out the detailed program.
